

Vanguard Software Executive Team

Rob Suggs
CEO

Rob is Vanguard's founder, CEO, and Chairman of the Board. He has a BS in Electrical Engineering from the University of Virginia and an MBA from Darden. Prior to founding Vanguard in 1995, Rob built a career in technology strategy, assessing the risks and opportunities of emerging technologies to guide C-level decisions. Today, Rob directly manages all research and development activities at Vanguard in addition to his role providing executive leadership and oversight.

Neal Goffman
Chief Operations Officer

Goffman has over 15 years of experience in the SaaS industry, taking products through the entire cycle from concept to delivery. Before joining Vanguard, Goffman contributed to several successful start-up exits and he was an innovation leader at IBM, overseeing delivery of IBM Watson projects for the public sector, including such domains as artificial intelligence, machine learning, predictive analytics, and advanced analytics.

Vanguard Software Executive Team

Brian Lewis
Executive Vice President

Brian has over 15 years of experience in predictive planning, advanced analytics, and supply chain optimization. Prior to joining Vanguard, Brian worked at Ford Motor Company and UPS. He has a PhD in Industrial and Systems Engineering from the Georgia Institute of Technology, a MSE in Industrial and Operations Engineering from the University of Michigan, and a BS in Industrial Engineering and Operations Research from the University of California, Berkeley.

Eric Manzon
Vice President

Eric has been providing forecasting and custom solutions to Vanguard customers for over a decade, with over 25 years of experience architecting, designing, and developing solutions for large scale businesses. He has worked as a consultant for IBM, Oracle, and BEA to numerous customers including Kodak, The Hartford, Blue Cross, CBS, and more. Eric has a MS in Computer Science from Clemson University and a BA in Computer Studies from Northwestern University.

Vanguard Software Executive Team

Amy King
Vice President

King is passionate about bringing Vanguard customer successes to the market. She has over 15 years of experience in the data and software industries, where she specializes in building high-functioning marketing teams while growing brand awareness and demand. With a background in both start-ups and well-established companies including Ghostery, Valassis, and Zaloni, King focuses on product-based marketing initiatives supported by reporting and scalable marketing automation.
